Notes / Service Descriptions

- PowerEngage Fire includes automated text message/text survey platform, rules engine, survey builder, dashboards, task creation, positive feedback, and CAD connection. CAD vendor fees excluded.

- PowerPolicy SSO and professional onboarding/setup services are separate POB candidates.

Terms Extract

- All invoices are due upon the invoice due date.
- Payment obligations are non-cancellable, and all fees paid are non-refundable.
- Order form is subject to NEOGOV service specifications.
- NEOGOV may adjust dates without increasing total fees if subscription length does not change.
- Signature constitutes contractual commitment to purchase listed items.

ASC 606 / IFRS 15 Use

Use as a public-document test input for POB identification, transaction-price extraction, non-standard term detection, annual billing schedule parsing, and ratable revenue recognition simulation.
